Note: This list represents all current State of Washington Department of Health certified Backflow Assembly Testers who have requested to be on the City of Walla Walla's approved testers list. For your convenience, those located in or closest to Walla Walla are listed first. This list in no way implies endorsement of any tester or company. It is the customer's responsibility to research prospective Testers for pricing as Backflow Assembly Tester prices may vary.

Please contact a licensed plumber should repairs to your system be needed. Information regarding hiring a contractor can be found at <http://www.lni.wa.gov/TradesLicensing/Contractors/HireCon/>
