

Public Involvement Form

Title VI of the Civil Rights Act of 1964 requires recipients of Federal financial assistance to guarantee that their programs and activities provide for effective participation by persons who may be impacted by our community's transportation decisions.

We need your help, as a participant in the public involvement process, to provide that information. Please volunteer to complete and return this form. Doing so will enable us to document whether our public involvement process includes the affected populations.

The City of Walla Walla's Title VI Coordinator will handle the information gathered as confidentially as possible. For further information regarding this process, please contact the Title VI Coordinator by phone at 509.527.4540.
